Dr. Harold J. Barnett
Department of Economics
Washington University
P.O. Box 208
St. Louis 30, Missouri

Dear Dr. Barnett:

I very much appreciate your suggestion that I might consider teaching and research at Washington University next fall. However, although I expect that a teaching job does lie in my future, I doubt that it will be within the next few years, and I do have other plans for the coming year.

Yours sincerely,

Daniel Ellsberg
Economics Department
